

European Project: **WORLD IN MY CLASS**

ITALY, TURKEY, ROMANIA

About the project

Our aim in our project is to open the doors of the world to our children, to create a sense of tolerance for their differences, to develop their empathy skills, to strengthen the teamwork of family-children and teachers. Each month, we will get to know a country in our class, we will create a corner in our class. At the end of the month, one of our students will present the costume of the country we know with his family, with the materials from now on, with the family participation activity.

AIMS

1. Introducing the countries of the World to our children
2. To create an understanding of tolerance towards differences
3. To develop our children's empathy skills
4. To contribute to the research, personal experience, curiosity and discovery of our children
5. Strengthening family-child-teacher teamwork.
6. Offering the opportunity to use waste materials

WORK PROCESS

The project will start in November.

Studies will be implemented between November 2020 and May 2021.

Meeting countries and schools that will partner with the project

Project introduction

Poster and logo process promoting the project

Parents will be informed and necessary permissions will be obtained

EXPECTED RESULTS

Providing children with a world view. Enabling them to learn by doing and living. Reinforcing the feelings of researching, exploring, wondering. Helping their classrooms to feel like their second home.

Developing their tolerance to differences and developing their feelings of empathy. Strengthening the cooperation between parents, children and teachers. To provide to share. To share activities in Twinspace.
